

☐ Name : Zainab Ali Kadhem Jaralla

☐ Living site : Thi-Qar / Iraq.

.

☐ Work site : University of thi-qar /Collage of medicine /Department of biochemistry

☐ Date of Employment : 8-11-2004

☐ university certificate :

1- Bachelor's degree in chemistry: From University of thi-qar /College of science / Chemistry department (2003-2004).

2- Master's degree in clinical biochemistry : From University of thi-qar /college of science / Chemistry department (2008-2009).

3- Doctoral 's in clinical biochemistry : University of Baghdad /College of science / Chemistry department (2021-2022).

☐ Academic title: Asst. Prof. at 22-1-2018

☐ ORCID : <https://orcid.org/0000-0001-6002-9700>

☐ H-index : 2

☐ Experience :

1-Teaching clinical biochemistry for medical students .

3- Teaching clinical biochemistry for pharmacy students.

4- Teaching clinical biochemistry for pathological analysis students.

5- Teaching clinical biochemistry for post graduate student (medical microbiology student).

6- Work as a chemists in center lab. of Al Hussein teaching hospital .

☐ Language : Arabic and English .

☐ Certification and work shop :

1- Chemical safety and security officer training.

2- Polymerase chain reaction and primer design.

3- Diploma of excellence in bioinformatics.

4- Molecular module in Bioinformatics (3D).

☐ Number published paper : 9

☐ Books : 1(Iraqi drug guide second edition).

☐ Conversance : 2 (as presented)(6) as attendance .

☐ Thanks document : 5 from the high minister , 8 from head of the university , 8 from the head of collage ,and 2 from the head of department .
